# **Principal's Report:**

### Mr. Deonise

Thank you to Melissa from Blue Orthodontics for red zone. Football game was electrifying Red Zone turn out was great until lightning delay winning 37-0. Final score. Away game on Thursday because of referee shortage. Two other sponsors this week.

Safety and security is on everyone's mind everywhere. Threat written on bathroom wall last week, ongoing investigation. Police think it's a copy cat from earlier last week from Horizon. Hoping the news of the person getting caught at Horizon get's out. Thursday, Friday went well, students are forthcoming. Kids know what the right thing to do

Uniformed armed police officer is on campus all the time. Friendly, kids like him, very imposing figure. Full compliment of security guards. 6 staff members, they're steady and experienced. Reducing the number of entrances open in the morning so they are always manned when they are open. Students have been propping open gates, staff is addressing it. Kids have to walk a bit further but it helps keep an eye on things. PVHS is in a neighborhood that has a lot

Staff are focused on

## **ID** Compliance

Dress code (violations are down)

Working on early morning tardiness and attendance, 1st block is more than they would like. Sometimes it's parents. Serving detentions makes a difference. 2nd, 3rd block are lower.

Progress on these items due to teacher diligence

Tomorrow is last day to sign up for PSAT. PSAT is test to become national 16 national merit students last year. This year they have 9 national merit finalists, more than they've ever had. More than the rest of the district combined. Last year they had 2, 4 was max.

Teachers came to him with incentives for kids giving out positive SWAG. Core values PBIS, pride, proactive, positive. 5 pillars of pride. PTO has been generous in this regard. Math, teachers wanted to get funds from PTO but PTO had rules against it. So Mr Deonise is asking amending rule to allow for allowance of classroom incentives.

Q: Is Thursday game of the week? Not sure

Paint job is finished, 2 murals the district paid for are finished. New way signing and signage for all building, new badging for admin, counseling, media center (from money from PTO).

Brandon -- getting logos for swim team. Ex Student created high res logos.

Question on which gates are open, trying to get people to do the main drop offs. Want to make sure they all go past someone at the three points. Training kids on not opening gates for people and propping them open.

Jenny question: Share dollar amount of what they are asking for? PTO has had a standing offer to teachers, \$100/teacher they can submit a request for reimbursement. Now it's \$150, talked to them about trying to solicit free things, for example Chic Filet by the mall. Thinking the rewards would be burger, sandwich etc... 2 teachers, \$300 Ask tonight, could restrictions be loosened to allow classroom incentives. Why was that stipulation put there in the first place?

Concerns about overage with food, "donut parties". PBIS grant ran out, now they are trying to figure out to get it done. With exception of individual PBIS incentives.

Two budget lines PBIS 500 + a different one for \$1000

Pride cards are redeemed for prizes, that was the original \$500 in Trojan corner. This would probably fall on this line item.

Blue Ortho donated 2 baskets, 1 basket went directly into PBIS. Could do this again. Easiest way for Mr D. to use it is to give it to PTO and then PTO gives it to Mr. D.

Lisa questions (capital projects), CREST building orange, Mr. D's bosses agree it needs to be painted. While the crew is out there to paint the buildings, why wouldn't they paint the new building. They declined it. No timeline for painting it. May be bond \$ in the next cycle to paint it.

WRT senior pictures. If seniors want a different picture, students still need to have picture taken in front of blue screen. Deadline was sent in an email today. Not all kids are going to the studio, so there will be onsite pictures Oct 18th. ! Picture fancy clothes and 1 picture cap and gown. Cap and gown. Black cap and gown, deadline is not firm.

Did we lose the sponsorship from PV foundation to pay for sophomores? Yes, they don't pay for them. At about 200 signed up to take the PSAT.

# **Treasurer's Report:**

Kim Breland

YTD School Year is July - June... Financial year is the same

Reviewed Budget from last time

Ending book balance where we started vs. where we ended

July Aug were quiet, July Kroger came in for 355, paid concession

\$10 for corporate commission

Paid for staff shirts

6.983 is our running balance

Scholarships are being finalized, re-done, resent

Contact list for boosters

Have a template for Boosters that goes by month by period

This will go out to booster drive.

Key is to have the contact list updated

Access to boosters financials are in a shared folder, Board has access to those pieces

Funds we are holding on to from last years auction for student clubs (net on book balance)

Holding some \$ for various clubs

We will be charging in September for booster fees. And registrations. Push to parent registrations and pay booster dues. Need to publish out a request, had it set up on paypal, may set it up in venmo

Electronic bill pay is not set up. We may need to explain to the booster treasurers how to pay. Need to put all documentation in an accessible place to standardize. Happy to set up a time for treasurers of the boosters for online treasures.

# **UPC Report**

Melissa

Next meeting 2 Wednesdays out

Presentation on twice exceptional learner with new gifted director and special ed director Have a forum for some of the candidates running for the board. 7 individuals running for 3 positions on PV board. Sep has some real challenges because of conflicts around elections. It's on the 20th, it's critical that they pass. Ongoing funding for maintenance and operation (salaries etc...). School district puts this on. Opening bell for aug preso is on their website. A lot going on around Positive behavior support, recordings on the site. Wed 28th is the evening. Tomorrow night there is a gifted presentation, will be recorded and is on FB 6PM

### **Announcements:**

# **Old Business:**

## **New Business**

What about Mr D's request? Can we figure out why the rules against Positive behavior credits was there. Do we have \$300 sitting around to do this? Can we go to Mr. D and let him know we are figuring out why it's there. Don't really have room to this? Can we go see what the restrictions are? Teachers haven't traditionally used much from the PTO, trying to figure out a way. Melissa to reach out to ex pres of PTO to figure out why the language was put there in the first place. Can we vote on this if we find out more information.

Motion to allow the executive board make a decision to vote over email concerning Mr. D's request to financially support 2 math teachers

Melissa Schwartz first

Cindy Richards second

Motion passed unanimously

Need to identify how to do **silent auctions**. Maybe deconstruct it and divide it up in the group. Previous was Wed-Sun in the fall. Nov 2-6 probably makes the most sense (active and at events). Looking to start it 1 month in advance. May use the atrium in the theatre during the Nov shows or the band. Put the marquis up in front of the school. Email out materials to all the boosters.

Hygiene drive has been going well.

Adjourn At 8:33
