

*For the safety of our students, staff members, parents and other members of the community with whom we share the road, we strongly advise that you please observe the following:

- All students and parents must use the WEST LOT before school and after school for parking and drop-off/pick-ups.
- The EAST LOT is reserved for special needs busses and staff members only. It is not a student drop-off area.
- The SOUTH LOT is reserved for staff members and visitors only. It is not a student drop-off area until AFTER 7:30 a.m.
- Please do NOT drop off (or pick up) students in the following areas, as it may cause traffic problems:
 - the east side of campus along 40th St.
 - the city bus lane south of our C.R.E.S.T. building
 - the south side of campus along Bell Rd.
- As a courtesy to our neighbors, do NOT drop off (or pick up) students across the street in the WalGreen's or hospital parking lots. Parking in these lots may result in your vehicle being towed.
- Arrive or drop off students early. Traffic/Parking congestion is heaviest from 7:10 - 7:30 a.m.
